School Annual Education Report (AER) Cover Letter

May 31, 2018

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2016-17 educational progress for the Mott Middle College High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Margaret Green for assistance.

The AER is available for you to review electronically by visiting the following web site <https://goo.gl/p6wSbg>, or you may review a copy in the main office at your child's school.

For the 2016-17 school year, schools were identified using new definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state. Some schools are not identified with any of these labels. In these cases, no label is given.

Mott Middle College has not been given one of these labels by the state.

Mott Middle College continues to strive to meet the needs of all students. Our school improvement plan focuses on increasing achievement in reading, writing, and mathematics proficiency. Also, we strive to increase the number of college and career ready students prepared to enter the 21st century workforce. To address these gaps, Mott Middle College has created goals, strategies, and activities through the AdvancED School Improvement process. In each core academic area, strategies and activities have been designed to not only improve academic achievement for all students but specifically for students in the lowest 30% in achievement level. It is our hope that the strategies and activities will be successful to ensure higher levels of student academic excellence. State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

All of MMC's students are referred by a counselor or administrator or by their parent/guardian. After an extensive admission process, students that are accepted for admission transfer from their home districts to MMC's fiscal agent, Carman Ainsworth Schools and are enrolled at MMC.

2. THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

Mott Middle College is currently in the process of updating its School Improvement Plan for the 2018-19 school year. Our goals will address the following: math, reading and writing mastery as well as college and career readiness.

3. A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

MMC is a specialized five-year high school operated as a middle college /early college. MMC prepares under-served high school students for a successful work and educational future through the full integration of high school, community college course work, and the world of work.

4. IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

MMC's curriculum can be accessed by contacting the school office. MMC is currently implementing the process of uploading the curriculum onto its website. MMC follows the Michigan Merit Curriculum and has aligned its courses to the Michigan Standards and Benchmarks. Currently, MMC is in the process of aligning it's curriculum to the national Common Core standards.

5. THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS

See: <https://www.mischooldata.org/ParentDashboard>

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Approximately 46% of our parents/guardians participate in parent-teacher conferences. Student progress is monitored by parents via our on-line ParentVue portal as well as personal contact by staff members. Typically, over two thirds of students are regularly monitored by parents through the ParentVue website/app.

7. FOR HIGH SCHOOLS, ONLY ALSO REPORT ON THE FOLLOWING: Mott Middle College is an early college and located on a college campus to facilitate dual enrollment. Hence, all our students extensively dual enroll and MMC does not participate in advanced placement or international baccalaureate programs. The table below includes some of MMC's Dual Enrollment data.
